Crucial crew

Reported by Samantha Lye and Amber Faine

On Tuesday the 2nd of February Year 6 went to Crucial Crew. It was really fun and Year 6 had a really great time. The activities there were all about being safe. At first we watched a video about e safety. E safety is about being safe on computers. Then we went to the park and talked about bullying and how to stop it happening. After that we went to the back garden and talked about why you shouldn't ruin other people's property. Next we went into the house and got taught about fire alarms and being safe when there's a fire. Later we went into the street and were told how to be safe on the road. We hope you will enjoy visiting Crucial Crew when you are in Year 6.
