#### **Impact of funding from 2019/20**

Total funding available= £26,699.09

**Total spend £20,711.00**

Due to the Covid 19 Pandemic, the number of events that children were able to attend was reduced. Year 5/6 pupils did not attend additional swimming lessons as planned in the summer term. This resulted in 30/46 Year 6 pupils (65%) leaving having achieved the National curriculum expectation of 25m.

Once again, a high priority for the school was to provide opportunities for every pupil in school to take part in a range of sporting activities. Through the partnership with Barnsley college, a range of events were successfully run providing all pupils in KS2 with the opportunity to experience a range of sports. However, events for KS 1 pupils were cancelled due to the Pandemic.

The development of the outdoor area lead to an increase in children's readiness to learn after to break and lunchtimes due to a decrease in the number of incidents occurring during these times.

#### **Allocation for 2020/21**

Total funding awarded = £ 19,340.00

Carried forward from 19/20 = £5,988.00

Total budget for 2020/21 = £25,328.00
